Mission:

To deliver a quality education that inspires and challenges all students to reach their full potential.

Draft

Cleaning and disinfecting process description.

We will primarily utilize our victory electrostatic sprayers for the disinfecting of the school. As a back-up and for food operations we will utilize a bleach solution.

We also have the roto-wash floor cleaning machine with the ability to dispense a disinfecting solution as it cleans.

We have been and will continue to use antibacterial microfiber rags for cleaning of visible messes

Cleaning areas

Classrooms

Paper towels will be provided to each classroom, crumbs and other debris will be wiped from the desks by students who are occupying them. Staff will go through with vacuums both manual and electric.

When students change rooms the desks and high touch/commonly touched surfaces will be disinfecting.

During lunch for the elementary classrooms any communal tables and chairs, and the high touch/ commonly touched surfaces will be disinfected

Nightly classrooms will receive a spot cleaning and disinfecting

Weekly each classroom will receive a thorough cleaning.

Bathrooms

All bathroom touch areas will be disinfected and bathrooms will be spot cleaned every 2 hours.

Bathrooms will be cleaned and disinfected nightly.

Hallways

Door handles, light switches and benches will be disinfected after morning student entry, hall breaks, and lunch periods.

Hallway floor cleaning will take place on a nightly basis

Office areas

Offices with varying groups of occupants will be disinfected between occupants.

single staff use areas will be cleaned on a as needed basis

Cafeteria

Lunch will take place in the alumni gym. Students will pass through the cafeteria for their food pick up the cafeteria high touch areas will be disinfected between lunch groups.

The tables and chairs will be disinfected in the gym between lunch groups.

Other spot cleaning will be handled on a as needed basis. We are upgrading the Heating and ventilation ducting filters to merv 13 air filters.
